[87] James Eli Shiffer - Star Tribune

5. Sixty-four of the individuals on the mailing list, not identified above, have also not responded, even though the Priority Mail package was tracked as "Delivered" to the listed address. Most of these names are national figures and probably have handlers and screeners who may have prevented the Priority Mail package from reaching the individual it was addressed to.

In conclusion, Minnesotans for Truth are concerned citizens who are conducting this evidence based study to understand why most people we talk with are not aware of the mysterious collapse of World Trade Center Building 7.
